About me

I am a **lecturer in statistics** at *Sylhet Cadet College*, Sylhet. Earlier I taught statistics at *Pabna Cadet College*. Before joining Cadet College service, I was employed as a research assistant at *EAL*, Dhaka. I also worked as a science contributor for *The Daily Prothom Alo*.

I have, with the pen name *Abdullah Adil Mahmud ( )*, written **four science books**, which are all available for purchase on Rokomari.com.

Hailing from Lakshmipur Sadar Upazila, I graduated with **B.S.** and **M.S.** degrees from the **University of Dhaka**.

I founded Bishwo.com and serve as the editor and contributor of and Stat Mania.

I am very passionate about teaching, writing, programming, and data analysis, and I continue doing all of them.

Learning is by far my best hobby. In my free time, I love to roam around, connect with people, and watch sky.

I am married to Salma Siddika, also an alumna of University of Dhaka.
